## God Has A Plan For Your Life

Have you ever had a dream, a goal, or a desire? Was there something you wanted so badly that you would do almost anything to obtain it? You saved your money, went to college, studied hard, got more training, or worked out rigorously, only to have that dream end in what seemed like failure.

I think we all have experienced that at least once in our lives. We had the best plan. We knew our plan would work. We thought out every possible scenario that could go wrong, and we just knew it wouldn't happen to us. Surely not! But it did. **The worst** happened. Seemingly a failure or a disappointment to our best plan.

Life is like that sometimes. Why? Because we only know in part. We only know what we know. But our God knows everything. He plans out every detail of our lives. He sees the future and the right now at the same time.

There is a verse in the Bible that talks about God's plans for us. It tells in detail the plan God has for you.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

- Jeremiah 29:11

Wow! That is some plan.

But what does that mean for you personally?

First of all, it's a detailed plan.

God knows you. He knows you so intimately that He knows the plan, and the plan fits you personally. You can trust that the plan will fit your life, desires, dreams, likes and dislikes, personality, and more. This plan is perfect down to the last detail.

Next, the plan consists of prosperity and no harm coming to you; it will give hope and be long-lasting into the future. Now, you couldn't even come up with a plan that great.

This plan of God is so wonderful that God says that you will not be harmed by it. You won't be disappointed or grieved by it. You will be prospered by the plan. Your needs will be met. But, I think the most important part is you will have hope because of it. You will be hopeful about your future and look forward to what God has in store.

Everyone needs hope when "their" plan fails. You may think you missed your moment. But God says no.

You didn't miss anything with Him. He has had a plan all along. He's got you covered. God has a plan for your life. Going into your future with His hope is the best plan ever.

# About The Author

Alicia Bowyer created Christian Women's Corner after talking to a good friend one day. They discussed how hard it was to keep up with daily prayer, Bible reading, and telling others about Jesus who didn't share their faith. She knew that some might not struggle with these three things, but many do.

She wanted to take the knowledge that she gained from over 40 years on her Christian walk and help others.

Alicia lives in Barrie, Ontario, Canada, with her family, whom she loves dearly.
